'To the future or to the past, to a time when thought is free, when men are different from one another and do not live alone — to a time when truth exists and what is done cannot be undone: From the age of uniformity, from the age of solitude, from the age of Big Brother, from the age of

doublethink — greetings!' In Orwell's novel *Nineteen Eighty-Four* members of the party are constantly monitored by devices known as 'telescreens' which can broadcast directly to them personally at any moment. Happily, you can choose how to stay in touch with us.
